General

These Financial Regulations govern the financial management of the council and may only be amended or varied by resolution of the council. They are one of the council's governing documents and shall be observed in conjunction with the council's Standing Orders.

Councillors are expected to follow these regulations and not to entice employees to breach them. Failure to follow these regulations brings the office of councillor into disrepute.

Wilful breach of these regulations by an employee may result in disciplinary proceedings.

In these Financial Regulations:

- 'Accounts and Audit Regulations' means the regulations issued under Sections 32, 43(2) and 46 of the Local Audit and Accountability Act 2014, or any superseding legislation, and then in force, unless otherwise specified.
- "Approve" refers to an online action, allowing an electronic transaction to take place.
- "Authorise" refers to a decision by the council, or a committee or an officer, to allow something to happen.
- 'Proper practices' means those set out in *The Practitioners' Guide*
- *Practitioners' Guide* refers to the guide issued by the Joint Panel on Accountability and Governance (JPAG) and published by NALC in England or Governance and Accountability for Local Councils in Wales – A Practitioners Guide jointly published by One Voice Wales and the Society of Local Council Clerks in Wales.
- 'Must' and **bold text** refer to a statutory obligation the council cannot change.
- 'Shall' refers to a non-statutory instruction by the council to its members and staff.

The Responsible Financial Officer (RFO) holds a statutory office, appointed by the council. [The Clerk has been appointed as RFO and these regulations apply accordingly.] The RFO;

- acts under the policy direction of the council;
- administers the council's financial affairs in accordance with all Acts, Regulations and proper practices;
- determines on behalf of the council its accounting records and control systems;
- ensures the accounting control systems are observed;
- ensures the accounting records are kept up to date;
- seeks economy, efficiency and effectiveness in the use of council resources; and
- produces financial management information as required by the council.

The council must not delegate any decision regarding:

- setting the final budget or the precept (council tax requirement);
- the outcome of a review of the effectiveness of its internal controls
- approving accounting statements;
- approving an annual governance statement;
- borrowing;
- declaring eligibility for the General Power of Competence; and
- addressing recommendations from the internal or external auditors

In addition, the council shall:

- determine and regularly review the bank mandate for all council bank accounts;
- authorise any grant or single commitment in excess of [£3,000].

Risk management and internal control

The council must ensure that it has a sound system of internal control, which delivers effective financial, operational and risk management.

The Clerk / RFO shall prepare, for approval by the Parish, a risk management policy covering all activities of the council. This policy and consequential risk management arrangements shall be reviewed by the council at least annually.

When considering any new activity, the Clerk / RFO shall prepare a draft risk assessment including risk management proposals for consideration by the council.

At least once a year, the council must review the effectiveness of its system of internal control, before approving the Annual Governance Statement.

The accounting control systems determined by the RFO must include measures to:

- ensure that risk is appropriately managed;
- ensure the prompt, accurate recording of financial transactions;
- prevent and detect inaccuracy or fraud; and
- allow the reconstitution of any lost records;
- identify the duties of officers dealing with transactions and
- ensure division of responsibilities.

Every month and at each financial year end, a Councillor who is a bank signatory should verify bank reconciliations (for all accounts) produced by the RFO. The member shall sign and date the reconciliations as evidence of this. This activity, including any exceptions, shall be reported to and noted by the Parish

Regular back-up copies shall be made of the records on any council computer and stored either online or in a separate location from the computer. The council shall put measures in place to ensure that the ability to access any council computer is not lost if an employee leaves or is incapacitated for any reason.

Accounts and audit

All accounting procedures and financial records of the council shall be determined by the RFO in accordance with the Accounts and Audit Regulations.

The accounting records determined by the RFO must be sufficient to explain the council's transactions and to disclose its financial position with reasonable accuracy at any time. In particular, they must contain:

- day-to-day entries of all sums of money received and expended by the council and the matters to which they relate;
- a record of the assets and liabilities of the council;

The accounting records shall be designed to facilitate the efficient preparation of the accounting statements in the Annual {Governance and Accountability} Return.

The RFO shall complete and certify the annual Accounting Statements of the council contained in the Annual {Governance and Accountability} Return in accordance with proper practices, as soon as practicable after the end of the financial year. Having certified the Accounting Statements, the RFO shall submit them (with any related documents) to the council, within the timescales required by the Accounts and Audit Regulations.

The council must ensure that there is an adequate and effective system of internal audit of its accounting records and internal control system in accordance with proper practices.

Any officer or member of the council must make available such documents and records as the internal or external auditor consider necessary for the purpose of the audit and shall, as directed by the council, supply the RFO, internal auditor, or external auditor with such information and explanation as the council considers necessary.

The internal auditor shall be appointed by Parish and shall carry out their work to evaluate the effectiveness of the council's risk management, control and governance processes in accordance with proper practices specified in the Practitioners' Guide.

The council shall ensure that the internal auditor:

- is competent and independent of the financial operations of the council;

For the avoidance of doubt, in relation to internal audit the terms 'independent' and 'independence' shall have the same meaning as described in The Practitioners Guide.

The RFO shall make arrangements for the exercise of electors' rights in relation to the accounts, including the opportunity to inspect the accounts, books, and vouchers and display or publish any notices and documents required by the Local Audit and Accountability Act 2014, or any superseding legislation, and the Accounts and Audit Regulations.

The RFO shall, without undue delay, bring to the attention of all councillors any correspondence or report from internal or external auditors.

Budget and precept

Before setting a precept, the council must calculate its requirement for each financial year by preparing and approving a budget, in accordance with The Local Government Finance Act 1992 or succeeding legislation.

Budgets for salaries and wages, including employer contributions shall be reviewed by parish at least annually in [October] for the following financial year and the final version shall be evidenced by a hard copy schedule signed by the Clerk and the [Chair of the Council or relevant committee]. {The RFO will inform committees of any salary implications before they consider their draft their budgets.}

No later than September each year, the RFO shall prepare a draft budget with detailed estimates of all receipts and payments/income and expenditure for the previous year along with a forecast for the following year taking account of the lifespan of assets and cost implications of repair or replacement.

Unspent budgets for completed projects may only be carried forward by placing them in an earmarked reserve with the formal approval of the full council.

The parish shall review its draft budget and submit any proposed amendments not later than the end of November each year.

The draft budget forecast, including any recommendations for the use or accumulation of reserves, shall be considered by parish council.

Having considered the proposed budget and forecast, the council shall determine its precept requirement by setting a budget. The council shall set a precept for this amount no later than December for the ensuing financial year.

Any member with council tax unpaid for more than two months is prohibited from voting on the budget or precept by Section 106 of the Local Government Finance Act 1992 and must and must disclose at the start of the meeting that Section 106 applies to them.

The RFO shall **issue the precept to the billing authority no later than the end of February** and supply each member with a copy of the agreed annual budget.

The agreed budget provides a basis for monitoring progress during the year by comparing actual spending and income against what was planned.

Any addition to, or withdrawal from, any earmarked reserve shall be agreed by the council.

Procurement

Members and officers are responsible for obtaining value for money at all times.

Any officer procuring goods, services or works should ensure, as far as practicable, that the best available terms are obtained, usually by obtaining prices from several suppliers.

The RFO should verify the lawful nature of any proposed purchase before it is made and in the case of new or infrequent purchases, should ensure that the legal power being used is reported to the meeting at which the order is authorised and also recorded in the minutes.

Every contract shall comply with these the council's Standing Orders and these Financial Regulations and no exceptions shall be made, except in an emergency.

For a contract for the supply of goods, services or works where the estimated value will exceed the thresholds set by Parliament, the full requirements of The Public Contracts Regulations 2015 or any superseding legislation ("the Legislation"), must be followed in respect of the tendering, award and notification of that contract.

Where the estimated value is below the Government threshold, the council shall (with the exception of items listed in paragraph 5.12) obtain prices as follows:

For contracts estimated to exceed £1000 including VAT, the Clerk shall {seek formal tenders from at least three suppliers agreed OR advertise an open invitation for tenders in compliance with any relevant provisions of the Legislation. Tenders shall be invited in accordance with Appendix 1.

For contracts estimated to be over £30,000 including VAT, the council must comply with any requirements of the Legislation¹ regarding the advertising of contract opportunities and the publication of notices about the award of contracts.

For contracts greater than £1,000 excluding VAT the Clerk / RFO shall seek at least 3 estimates.

For smaller purchases, the clerk shall seek to achieve value for money.

Contracts must not be split into smaller lots to avoid compliance with these rules.

¹ The Regulations require councils to use the Contracts Finder website if they advertise contract opportunities and also to publicise the award of contracts over £30,000 including VAT, regardless of whether they were advertised.

The requirement to obtain competitive prices in these regulations need not apply to contracts that relate to items (i) to (iv) below:

- i. specialist services, such as legal professionals acting in disputes;
- ii. repairs to, or parts for, existing machinery or equipment;
- iii. works, goods or services that constitute an extension of an existing contract;
- iv. goods or services that are only available from one supplier or are sold at a fixed price.

When applications are made to waive this financial regulation to enable a price to be negotiated without competition, the reason should be set out in a recommendation to the council {or relevant committee}. Avoidance of competition is not a valid reason.

The council shall not be obliged to accept the lowest or any tender, quote or estimate.

Individual purchases within an agreed budget for that type of expenditure may be authorised by:

- [the Clerk], under delegated authority, for any items below [£500] excluding VAT.
- the Clerk, in consultation with the Chair of the Council {or Chair of the appropriate committee}, for any items below [£1,000] excluding VAT.
- {a duly delegated committee of the council for all items of expenditure within their delegated budgets for items under [£2,000] excluding VAT}
- {in respect of grants, a duly authorised committee within any limits set by council and in accordance with any policy statement agreed by the council.}
- the council for all items over [£2,000];

Such authorisation must be supported by a minute (in the case of council or committee decisions) or other auditable evidence trail.

No individual member, or informal group of members may issue an official order {unless instructed to do so in advance by a resolution of the council} or make any contract on behalf of the council.

No expenditure may be authorised that will exceed the budget for that type of expenditure other than by resolution of the council {or a duly delegated committee acting within its Terms of Reference} except in an emergency.

In cases of serious risk to the delivery of council services or to public safety on council premises, the clerk may authorise expenditure of up to [£1,000] excluding VAT on repair, replacement or other work that in their judgement is necessary, whether or not there is any budget for such expenditure. The Clerk shall report such action to the Chair as soon as possible and to parish as soon as practicable thereafter.

No expenditure shall be authorised, no contract entered into or tender accepted in relation to any major project, unless parish is satisfied that the necessary funds are available and that where a loan is required, Government borrowing approval has been obtained first.

An official order or letter shall be issued for all work, goods and services above £50 excluding VAT unless a formal contract is to be prepared or an official order would be inappropriate. Copies of orders shall be retained, along with evidence of receipt of goods.
