121) Playground

The Clerk stated she had informed Streetscape that they had been awarded the contract. A meeting was held on Monday 25th March with Matthew Day from Streetscape to discuss where the equipment should be located with Cllrs Curry and Bowes being present.

The Clerk then advised the only issue outstanding is the Wet-pour and if the parish wanted to continue with that because of the additional cost. The Chair stated she felt we just needed to revamp the site and it would then be completed for the next 10years but allowed other councillors to discuss and air their own views.

Several of the Councillors discussed the implications financially with the final decision being unanimous to get the Wet pour done.

Agreed to use the CIL Money and get the Wet pour completed.

Action: Clerk to advise Streetscape.

122) Grass Cutting

The Clerk confirmed that the Public Liability Insurance had now been received from GCH Garden Maintenance.

The only other issue was that one or two cars had been seen parking on the Exelby Village Green. The Chair requested that Cllr Temple was made aware of this and perhaps a letter sent to residents in that area requesting them not to park on the grass because of damage and problems for our contractor to cut the grass.

123) Financial Matters

1. Payments

The Clerk informed Councillors of the March payments.

Agreed

2. Funds Transfer

The clerk suggested that the parish transfer about £5K into the savings account once the payment to Streetscape is complete so that we are getting some interest rather than in the Current account which has a zero-interest rate.

Agreed
